

# *Executive Proclamation*

## *State of South Dakota*

### *Office of the Governor*

*Whereas*, Multiple Sclerosis (MS) is a chronic and disabling disease of the central nervous system in which the progression, severity and specific symptoms cannot be foreseen; and,

*Whereas*, Every hour of every day someone new is diagnosed with MS, a disease that can erode a person's abilities and hopes, halt a career and unravel the fabric of families; and,

*Whereas*, In 2006, South Dakotans raised more than \$666,851 to find a cure for MS and to develop effective treatments for the disease, as well as to provide a wide range of client programs to improve the lives of the 1,512 individuals living with MS in our state; and,

*Whereas*, This investment is paying off in significant advances in treating MS, such as new medications that may reduce or delay future disability for people with MS; and,

*Whereas*, Research advances have brought us closer to finding the cure, and services must continue to be provided to those who live with the disease; and,

*Whereas*, There are public and private agencies available to serve the constantly changing needs of those with MS and their families living in South Dakota by extending essential services to all who need them:

*Now, Therefore, I, M. Michael Rounds*, Governor of the state of South Dakota, do hereby proclaim March 5-11, 2007, as

## *MULTIPLE SCLEROSIS AWARENESS WEEK*

in South Dakota, and commend this observance to all of our citizens.

*In Witness Whereof*, I have hereunto set my hand and caused to be affixed the Great Seal of the state of South Dakota, in Pierre, the Capital City, this Twelfth Day of February in the Year of Our Lord, Two Thousand and Seven.

M. Michael Rounds, Governor

Attest:

Chris Nelson, Secretary of State
